REACHING OUR COMMUNITY HERE

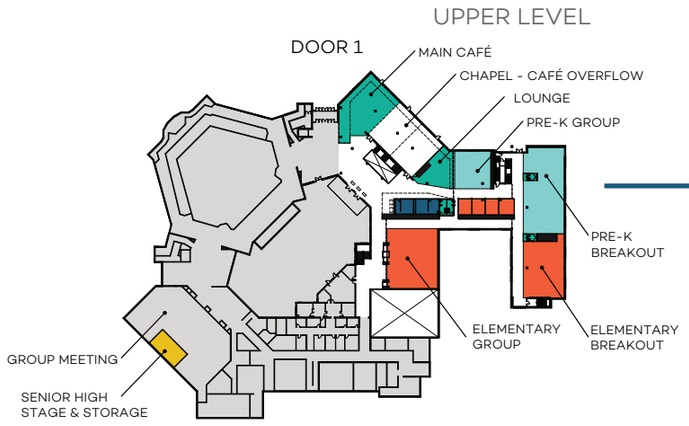

Wooddale Church is committed to reach the community in which God has placed us with the gospel of Jesus Christ. Cultural changes such as reliance upon technology, decline in church experience and increased attention to enjoyment by youth dictate that Wooddale adjust to attract the young families of today so they can hear the hope of the gospel.

PLAN FOR RENOVATION

Wooddale is blessed with an abundance of space. Rather than building new, current space will be re-purposed for growth, ministry and fellowship with our community. Children's Ministry will move to the upper level. Junior and Senior High Ministries will be provided enhanced designated space. Seating for the café and common areas will be increased to foster fellowship and multi-generational engagement.

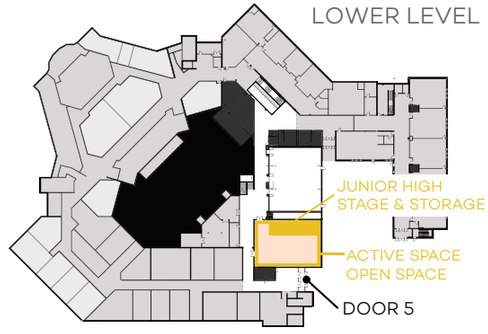

PRIORITIES

- *Develop designated area for Junior High for high activity*
- *Develop designated area for Senior High for gathering and engagement*
- *Develop children's area (Ages 2 ½ through grade 4) that is welcoming, easily located, and convenient for registration of new young families*
- *Enlarge the Wooddale café and enhance food service, traffic flow, efficiency and attractiveness*
- *Provide for better multi-generational gathering and engagement*

UPPER LEVEL

The classroom wing will become a secured space for Children's Ministry (ages 2½ through grade 4) with a floor installed at the upper level of the Hillside Room for a large children's activity space. The café will be located in the current bookstore with additional seating in the Chapel, a new nearby lounge and outdoors. The Great Room will be designated for Senior High on Wednesday evenings and available at other times as large classrooms.

LOWER LEVEL

The gym will be transformed into a designated space for Junior High ministry on Sunday mornings and a large space for high activity and group meeting space the remainder of the week.

ADULT MEETING ROOMS

Seven large classrooms will be available each of the three class hours on Sundays, four rooms on the upper level (three in the Great Room and one in the Chapel), and three rooms in the lower level that are accessible by elevator.

LIBRARY

Several relocation options for the library are under consideration, including a new location on the upper level.

BOOKSTORE

Renamed Gather Café & Exchange, the Bookstore will provide a destination for our church body and the local community to gather. In addition to being a comfortable and welcoming place "Where Generations Gather," Bibles, select books, cards and products that support our global partners will be sold.

PRAYER / FAMILY ROOM

The prayer / family room will be relocated on the upper level to an area that maintains accessibility and engagement with the café.

HISTORY OF WOODDALE CONSTRUCTION

Wooddale Church moved to Eden Prairie in 1984. Over twenty years, Wooddale built six buildings, a new building and a new capital campaign nearly every 3-4 years, the last being the classroom wing. Proposed renovation for Vision '22 will be the first significant renovation of the campus in the past ten years.

MINISTRY PROJECT TEAM

The Vision '22 Ministry Project Team met over the summer with volunteers in the youth and children's programs to learn ministry needs. Open forums and Big Group presentations are now gathering feedback and ideas for café and other common areas. Ministry Team members represent varied generations and ministries throughout

FUNDING

Approximately $4 million of Vision '22 financial commitments will be allocated to Eden Prairie campus renovation. We do not anticipate any long-term borrowing for the project. Short-term borrowing will be necessary to fund construction while gifts are being fulfilled over the next three years.

WHAT'S NEXT

This fall, church membership will vote on a motion to move forward with Here, Near and Far activity. The motion will include authorization to complete design documentation and commence construction on the Eden Prairie campus. Construction is expected to begin in late winter or early spring and be completed by fall of 2016.
