We Go for Unity Among Diversity
November 8, 2026

Summary
In this week's message, Kyle reminds us that through Jesus, we belong to God and to one another. In Ephesians 2:19–22, Paul describes us as citizens of God's Kingdom, members of His family and part of His holy Temple. Though we come from different backgrounds, cultures and traditions, we are united through our faith in Jesus. God's Word is our foundation, and Jesus is our cornerstone. Jesus was rejected so we could belong, and we are called to love one another as brothers and sisters in Christ. Kyle challenges us to build relationships with believers who are different from us so we can experience the beauty of God's diverse family and show the world what unity in Christ looks like.

Scripture
Consequently, you are no longer foreigners and strangers, but fellow citizens with God’s people and also members of his household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In him the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit. Ephesians 2:19-22 (NIV)

Let’s Start
Think about the different places or groups where you belong. What makes you feel welcome and connected to others?

Gratitude and Prayer
How has God been at work in your life since we last met?

Let’s Talk
1. What is the difference between simply attending a church and truly belonging to a church family?
2. The early church brought together Jews and Gentiles who had very different backgrounds, customs and traditions. What challenges can make it difficult for people with differences to live in unity today?
3. Kyle said, "Boundaries are what make unity possible." How do God's Word and Jesus, our cornerstone, help bring unity to the Church?
4. Jesus was rejected so that we could belong. How does remembering what Jesus did for us change the way we view and treat other believers?
5. Kyle questioned if some of us treat the church like a Costco membership—coming when we need something and enjoying the benefits. What are some ways we can move beyond simply attending church to becoming more connected to our church family?
6. A short-term missions trip can help us connect with believers from very different cultures and backgrounds. Have you ever experienced a sense of unity with another believer

despite your differences? What did that experience teach you about belonging to God's family?

Let's Act

One mark of spiritual maturity is to ***commit to life-changing relationships***. How might God be calling you to build a deeper relationship with someone at church who is different from you? What is one step you could take?
