Dear Wooddale Family,

The first two forums for Vision '22 have been conducted in the past two weeks. The first on June 7, focused on the Near aspect of Vision '22, establishing multi-site churches in the Twin Cities. The second on June 14, focused on the Far aspect of Vision '22, establishing new churches in Asia in partnership with The Timothy Initiative. Both were well attended and the response was encouraging.

If you missed these forums, there will be additional opportunity to view a recording or a repeat of both later this summer. Also, a recording of the Near forum will soon be available on the Vision '22 website, linked here.

Visual aids are being prepared to assist in the forums focused on the Here aspect of Vision '22, repurposing and renovating space in Eden Prairie for ministry and fellowship. We will soon be scheduling those through summer and early fall for specific ministry groups and for the entire congregation.

A significant part of the Here aspect is Wooddale's Children's Ministry. As this ministry grows, young lives are being impacted for Christ. Listen to Children's Pastor Justin Gaspar talk about this ministry in this link.

You will soon be hearing of plans to organize and inform prayer for Vision '22. Please continue to pray for God's direction for Vision '22. Our needs include clarity of direction, sound advice from the professionals engaged to assist us and good and helpful information coming out of the forums. Praise God for the financial commitments that have helped to direct the scope of Here, Near and Far and for the encouraging notes and involvement of Wooddalers.
