VISION '22 FORUM

We had another great forum on Sunday, September 20. Many people came out to hear about Vision '22 and the plans we have to impart the hope of the Gospel to 700,000 people in the next 7 years.

Many of our pastors shared the impact Vision '22 will have on their ministry. We heard from Edina Campus Pastor Kyle about our multi-site strategy and that we need your prayers as we consider locations for site three. Junior High Pastor Heather, Senior High Pastor Mark and Children's Pastor Justin all shared with great passion their dreams and vision for the spaces being designed for their students.

It was also exciting for us to have the opportunity to share about Wooddale Asia and the impact Wooddale Church is having on a region of the world that is less than 1 percent Christian. Leaders are being trained, new churches are being planted and hundreds of people are coming to know Christ.

VISION '22 UPDATE

HERE, NEAR & FAR

In August a total of 396 people expressed interest in 671 volunteer possibilities at the Sunday Serve (Edina Campus) and the Volunteer Fair (Eden Prairie Campus)! Wooddalers are now getting connected in serving opportunities in a variety of ministry areas. See what some long-term volunteers say about serving.

HERE: CONNECT THROUGH SERVICE

"The youth ministries had an incredible impact on my children, and I want to give back. I am passionate about God and desire to encourage students in their faith journey as they search for answers and grow deeper in their relationship with God." – Wendy Stensrud, Eden Prairie Campus, Senior High Small Group Leader

"Jesus came to serve, and it's one of the ways we work out the great commandments to 'Love God, and Love Others.' Furthermore, it's been an incredible way to connect and grow and model service to my young growing family." – David Stay, Edina Campus, Life Group Coordinator and Children's Ministry/Welcome Team

"I serve because Jesus came to serve. This is one way I can show love to others by giving my time and energy." – Amy Anderson, Eden Prairie Campus, Young Adults Leadership Team and College Ministry Leader

"Serving as a lobby host allows me to exercise the gift of hospitality and meet and greet attendees. I believe God wires us with unique gifts. In return, they encourage me with the use of their gifts." – Patty Robinson, Edina Campus, Welcome Team and Prayer Team

"I love to help others, and I feel that this is a strong motivational gift from the Lord, so I find it easy to volunteer. I benefit from getting to know other Wooddalers in the context of serving." – Dan Smith, Eden Prairie Campus, 5th/6th Grade Small Group Leader and Love In[Deed]

HERE'S HELP FOR YOUR FAMILY

Family life can challenge, reward, confuse, humble and bring joy to us, all in just a few hours. Wooddale's new Family Ministry wants to partner with you as you raise a family that loves Jesus. Through resources and special events, our goal is to equip and encourage families with children from birth through college age. Family Toolbox events and Young Family LifeGroups are two ways we seek to provide practical help on topics like marriage, parenting, blended family and single parent matters.

The first Family Toolbox event will be Sunday, October 11 at 11 a.m. in Room 287 on the Eden Prairie campus. Counselor and author Todd Mulliken will speak on the topic, "All the Best for Parents; 5 ways to bring out the best in your kids." Plan to attend this free event. No registration needed.

Young Family LifeGroups are specifically designed for families with children from birth through 4th grade. They meet Sundays at 9:45 a.m. on the Eden Prairie campus. For more information contact family.ministries@wooddale.org.
