## —[ LET'S START ]—

- Which “neighbor” did you have the opportunity to demonstrate love to last week? Take time to share your experiences with one another.

## —[ LET'S TALK ]—

1. Read Luke 10:38-42 together. Which of the two characters do you identify with most often? Talk about the different situations where you find yourself acting like either Mary or Martha.
2. Part of living the Jesus lifestyle includes sitting at His feet and soaking in His presence and words. What are some of your favorite ways to practice stillness in the presence of God? What things seem to get in the way?
3. Pastor Dale talked about how we sometimes pray “fix it” prayers to God, instead of just giving attention to His presence and His words. What are your most common “fix it” prayers? How could you change the perspective of these prayers to instead focus on God’s presence and His words?
4. Read Romans 8:14-15 together. What would change in your life if you saw yourself as a child of your heavenly Father?

## —[ LET'S ACT ]—

- Share the specific time and place when you will be *still* in the presence of God this week. What will you personally do to focus on God during that time?
