

Dear _____ ,

I want you to know how much I love you. I always have seen the greatest possibilities in you. Did you know that there is not another like you? You are my _____ ; I went the distance for you! I see such potential in your life and I am working to bring out ***My best*** through you.

I know that sometimes you _____ yourself by allowing your circumstances to get the best of you. There are other times when your pride interferes and you fall hard. But each time I am there for you; ***I always will be.***

Right now you may feel like you have failed too many times for Me to care any longer about you. Stop listening to your guilt and _____. Instead of letting your feeling drive you from Me, let them move you towards Me. Remember, I'm here and

_____,
so don't let your sin create distance between us. Return, I'm waiting with arms wide open.
