—[ LET'S START ]—

Find a partner and share one of the most moving/meaningful experiences of your Easter. Why was it significant to you? Take a moment and pray for those who walked across the Wooddale platform and signed their name on the letter.

—[ LET'S TALK ]—

1. With your partner, one of you read *Song of Solomon 8:8-12* aloud to the other. Did either of you feel this was awkward? Which one of you felt most awkward, the reader or the listener? Pastor Dale explained why God may have inspired this book to be included in the Bible. So, practically speaking, how do we then leave the awkwardness behind to better understand the book as a group?
2. Today, there are many influences on each of us and our family members regarding sexuality. Identify some of these influences and categorize them as positive or negative. Who or what is consistently the most influential? How can you protect those you love if their own understanding of love is immature?
3. Boundaries – what were the boundaries for sexual behavior your parents set for you when you were young? How do you wisely set boundaries for those you love?
