

# Teach Us to Pray

## Session 6 Leader's Guide

Congratulations! It's time to celebrate all God's done through "Teach Us to Pray." You'll start this session with a time of praise and thanksgiving—which is also one of the most powerful forms of prayer.

Encourage people to offer "popcorn praise," which is short 5-10 second prayers. You might incorporate verses such as:

- Psalm 16:7-8
- Psalm 145
- Psalm 150
- Revelation 4:11

### In the group sharing time, you'll discuss:

- Your biggest takeaway from "Teach Us to Pray."
- Who you're planning to share with in the next month.
- Any additional support needed.

You'll also spend a few minutes affirming and encouraging each other on your prayer journeys. You might want to enjoy potluck snacks or dessert as part of the celebration.

### Moving ahead:

Plan to follow up with the group in about a month to see how things are going and if they've had a chance to help someone else grow in prayer. You could plan an in-person or Zoom group time or follow up one-on-one.

We'd love to hear your testimonies! Send them to [prayer@wooddale.org](mailto:prayer@wooddale.org).
